Preface

THIS edition of the **Blue Book** possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the **Blue Book** as nearly perfect as it is possible to make such a volume.

We do not claim the **Blue Book** is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about twenty thousand names of the most prominent householders of New Jersey, published in the most convenient form for reference by our lady patrons.

The title, "**Blue Book,**" is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

Please send any information you may have that will aid in keeping the records correct, to Dau Publishing Co., 40 West 33rd Street, New York City.

The Koch Store

Situated in the heart of Upper New York's residential district, and within a few minutes of the Fort Lee Ferry, is the most convenient shopping-place for residents of Englewood.

It caters to a critical clientele, and the quality of its merchandise is distinctive and high-grade.

Prices are at all times most moderate, and lower than those quoted downtown.

THE KOCH STORE

The Largest, Most Aggressive and Progressive Department Store in Upper New York. Situated in the heart of Upper New York's residential district, and within a few minutes' ride of the Fort Lee Ferry, is a most convenient shopping-place for the residents of Hackensack.

It caters to a critical clientele, and the quality of its merchandise is distinctive and high grade.

Prices are at all times moderate, and lower than those quoted downtown.

There are All Sorts of Diamonds at All Sorts of Prices

¶ But how are you going to be certain about the diamond you select unless you go to a reliable dealer?

¶ When you buy a diamond here you can depend that it will be just as we represent it, no matter what you pay.

¶ The price will be as low as is possible for the quality represented.

¶ Two very important features. Don't you think so?

DOGS AND CATS BOARDED

15 Railroad Place East Orange, N. J.

SOLVING THE PROBLEM

She was desperately gone on them both,
And couldn't think which one to choose;
'Twas rather perplexing, no doubt—
For one she was bound to refuse.

She gazed at them both in despair,
Quite puzzled to know what to do;
As soon as she thought about one
She cared for the other one, too.

They still remained under her gaze,
Not knowing the trouble they'd brought;
It really was hard to decide,
They both were so charming, she thought.

She couldn't say which one she'd have,
Or how to decide with success;
It's really exceedingly hard
Selecting an up-to-date dress.

"If it wasn't so far, I'd like to go"
—so busy people are wont to say

Distant friends become your next door neighbors if you drive a new Rambler. Then no country road is long enough. For no sooner do you grasp the wheel and sense the motor purring than you shake off all dulness — the car starts beneath you and you are away—to work or to pastime—it differs not — exhilarated, you hasten on your way.

With offset crank-shaft, straight-line drive, big wheels and tires, long wheel-base, Spare Wheel and aluminum front floor, the new Rambler is in many respects superior to any other automobile.

Rambler automobiles $1,800 to $2,500

RIDGEWOOD, N. J.

A PICTURESQUE, conservatively progressive, incorporated Village of about Six Thousand Inhabitants, in Bergen County, 22 miles out, on the direct line of The Erie's Greatest and Most Immediate Improvements.

NOT A FACTORY, or manufacturing establishment within its limits; but developing steadily *Under Strictly Local* Enterprise, at the average rate of One Hundred Handsome Residences a year.

HEALTHFUL, Traditionally and in reality, being naturally free from deleterious conditions, and kept so by an abundant wholesome public water supply, adequate drainage, and Ramapo Mountain air.

FIVE NEW PUBLIC SCHOOLS, a varied choice in Churches, New Y. M. C. A. Building, and an enthusiastic Golf Club in its 19th year, with spacious grounds in the very centre of the Village. In short,

A TYPICAL, HIGH-GRADE JERSEY SUBURB, except (the fact is worth noting) in being practically **Free from Mosquitoes.**

UPPER RIDGEWOOD

Newest, Highest, and for New York Business Men One of the Most Accessible Sections of the

BEST LIKED OF ALL NEW JERSEY SUBURBS

Although an important part of the village of Ridgewood, and sharing in all its many exceptional advantages as a place of residence, Upper Ridgewood is quickest reached from the new $10,000 station called Hohokus,

"TWIXT CLIFF AND GLEN,"

easily the most picturesque of all the stopping-places in the Erie suburban territory.

Upper Ridgewood is undergoing development at the hands of the same management that has made such a success of Kathawood Park, in another section of Ridgewood, and its future as a residential neighborhood for strictly desirable people is equally well assured.

Choice of 300 plots within 5 to 15 minutes of the Hohokus station.

Superb views limited only by the Palisades and sky-line of New York.

All civic improvements including public water supply of unimpeachable purity and abundance.

All social, educational and religious privileges common to the rest of the village.

Inducements to immediate home-builders made known, and special booklet forwarded by addressing
